Carrie Pinasco

This workshop is designed for MAPS PSO coordinators and team members.

Peggy Binzer, JD, Executive Director, Alliance for Quality Improvement and Patient Safety

Binzer directs the nation's leading professional association for PSOs, guiding PSO members in measurably improving patient safety and quality care through safety culture and high reliability. Binzer spearheaded the crafting and passage of the Patient Safety and Quality Improvement Act (PSQIA) while serving as Senior Health Counsel for the U.S. Senate Committee on Health, Education, Labor and Pensions. As a Shareholder at Polsinelli PC, she provides PSOs with legal guidance to enhance PSQIA protections and design innovative quality improvement programs.

Carrie Pinasco, CDM, BCQS, MAPS Senior Director

Pinasco's healthcare career includes more than 15 years of extensive experience supporting clinical benchmarking projects, patient safety data collection and PSO program development. After working at UHC (now Vizient, Inc.) Carrie joined MAPS to oversee MAPS' collaboration efforts with other PSOs, marketing and new business development. She leads member training and assists in developing educational materials.
